

Dear Wings School of Dance Families,

The safety of our dancers, teachers and families is our highest priority. Due to the “Shelter in Place” order and in line with the Santa Cruz County Office of Education, local and federal health agencies, Wings will be closed through April 10. We will continue to monitor developments during this evolving situation and will keep you informed of any new developments regarding the studio closure. We will honor our scheduled Spring Break April 6-10.

Starting next week, we’ll be offering virtual class options with Wings dance teachers via Zoom & youtube to keep our students dancing through the closure. There will be a variety of pre-recorded and live streaming options, as well as at-home activities.

Thank you for your support and understanding during this global crisis that is affecting us all.
